

Choose Flavor. Choose Perfection.®

Dear Store Manager,

I shop in your store regularly and would like you to consider carrying the gluten-free products from Perfection Snacks. I prefer the Perfection Snacks brand for their amazing taste, quality ingredients, and knowing that all of their products are certified gluten free.

Currently, I buy some of my groceries at other local stores in our area but would prefer to buy them at your store as gluten-free products are part of my regular shopping trips. I have circled the gluten free products from Perfection Snacks below that I would like to purchase at your store.

Thank you and I appreciate your consideration.
